WOW!!! What an amazingly beautiful event. The Alliance's 16th Annual Fashion Show Luncheon was an enormous success. We have to thank the many hands of our membership who spent tens of hours planning, gathering, labeling, setting up, and everything else involved in holding this event. Our Co-Chairs Alexia Crowley and Jessica Kartzinel led the team and deserve a huge thank you and pat on the back; do congratulate them. Proceeds will be put in a Veterans' Health Services Fund

that will allow those veterans that are in need of medical services and do not have health insurance to visit Volunteers in Medicine Southern Nevada where they may access care. Please join the Alliance at our May 16, 2017 Hat Luncheon at the Mixx where we will present the proceeds.

Mark your calendars for Monday April 17, 2017 and join a myriad of physicians in Carson City for our Physician Day at the Capitol. Alliance members both north and south will be joining our physicians as we share, promote, and clarify the needs of medicine in the various pieces of legislation by speaking with our elected representatives. It's not too late to join us!

Kicking off our opioid project, "Promoting Education and Awareness to Reduce Opioid Abuse and Misuse" the Alliance will host a town hall. Sam Quinones, author of Dreamland will be speaking so please save the date for Thursday May 4, 2017 at 6 p.m.
